BUT OF COURSE he went down to Havnor South Port, in one of his father's carts driven by one of his father's carters, along with Master Hemlock. As a rule, people do what wizards advise them to do. And it is no small honor to be invited by a wizard to be his student or apprentice. Hemlock, who had won his staff on Roke, was used to having boys come to him begging to be tested and, if they had the gift for it, taught. There will be order, safety, and peace." "I know. I said everything wrong. I did everything wrong. I betrayed everything. The magic. And the music. And you." "Otter," said the flat voice. It would be Berry at the door, though why he knocked she didn't know. "Come in, you fool!" she said, and he knocked again, and she put down her mending and went to the door. He could not be wholly comfortable with his hands bound and his mouth gagged, but wind and sunlight were mighty blessings.
