He had done irreparable harm. Men and women and children had died because he was there. They had died in torment, burned alive. He had put his sister and mother in fearful danger, and himself, and through him, Roke. The Master of Iria of Westpool, Birch, didn't own the old house, but he did own the central and richest lands of the old domain. His father, more interested in vines and orchards than in quarrels with his relatives, had left Birch a thriving property. Birch hired men to manage the farms and wineries and cooperage and cartage and all, while he enjoyed his wealth. He married the timid daughter of the younger brother of the Lord of Wayfirth, and took infinite pleasure in thinking that his daughters were of noble blood. when she came out of the shelter of the woods and saw the open sky. Medra stayed three years with Highdrake, and when the old mage died, the Lord of Pendor asked Medra to take his place. Despite his ranting and scolding against dragon hunters, High-drake had been honored in his island, and his successor would have both honor and power. Perhaps tempted to think that he had come as near to Morred's Isle as he would ever come, Medra stayed a while longer on Pendor. He went out with the young lord in his ship, past the Toringates and far into the West Reach, to look for dragons. There was a great longing in his heart to see a dragon. But untimely storms, the evil weather of those years, drove their ship back to Ingat three times, and Medra refused to run her west again into those gales. But when his thoughts settled down and began to run clearer, he knew that he could not defeat a wizard of great craft and power, even if that wizard was mad. If he had any hope it was to play on his madness, and lead the wizard to defeat himself. "She bled again just now, and I couldn't stop it," Dory said. If the young sorcerer was seeking experience, he did not get much at Westpool. Whenever Birch had guests from Kembermouth or from neighboring domains, the herd of deer, the swans, and the fountain of golden wine made their appearance. He also worked up some very pretty fireworks for warm spring evenings. But if the managers of the orchards and vineyards came to the Master to ask if his wizard might put a spell of increase on the pears this year or maybe charm the black rot off the Fanian vines on the south hill, Birch said, "A wizard of Roke doesn't lower himself to such stuff. Go tell the village sorcerer to earn his keep!" And when the youngest daughter came down with a wasting cough, Birch's wife dared not trouble the wise young man about it, but sent humbly to Rose of Old Iria, asking her to come in by the back door and maybe make a poultice or sing a chant to bring the girl back to health. of sorcerers is a bad thing. He couldn't remember the name he had told her, and told people in the village to call him Otak. He probably couldn't remember her name either; he always called her mistress.
