Hanlon got him up earlier..In the Political Science course at school, the Mayflower II's primary mission had been described as one of "preemptive liberation," which meant that because the Asiatics and the Europeans, were the way they were, they would seize Chiron and convert it to their own corrupt ways if given the chance, and the Mayflower I1 therefore had two years to teach the Chironians how to protect themselves. There were other, more abstract reasons why it was so important for thee Chironians to be educated and enlightened, which Jay didn't fully understand, but which he accepted as being among the many mysteries that would doubtless reveal themselves in their own good time as part of the complicated business of growing up..They departed less than five minutes later, leaving Carson and one

of the other soldiers inside with the prisoners and two guards standing stiffly outside the door with everything in the corridor seeming normal. Hanlon took Wellesley, Borftein, and Lechat to a storeroom near the Communications Center where they could remain out of sight. Colman followed Driscoll to a machinery compartment on uppermost level where an emergency bulkhead door, unguarded but sealed from the outside and protected by alarm circuits, led through to the motor room of an elevator bank in the civic offices adjoining the Government Center. Colman traced, checked, and neutralized the alarms. Then he double-checked what he had done, and nodded to Driscoll, who was waiting by the door; Driscoll opened the latches and swung the door outward while Colman held his breath. The alarms remained inactive. Sirocco was waiting on the other side with Bernard Fallows, who was wearing engineer's coveralls and carrying a toolbox..you're in..the deeper regions of your mind.
