Among the Kargs the power of magic appears to be very rare as a native gift, perhaps because it was neglected or actively suppressed by their society and government. Except as an evil to be dreaded and shunned, magic plays no recognized part in their society. This inability or refusal to practice magic puts the Kargs at a disadvantage with the Archipelagans in almost every respect, which may explain why they have generally held themselves aloof from trade or any kind of interchange, other than piratical raids and invasions of the nearer islands of the South Reach and around the Gontish Sea.
