of "Beginnings," said Tern. Medra knew only a hint of this story from Ember. One night Veil, who was three years older than Ember and to whom the memory was much clearer, told it to him fully. Ember sat with them, listening in silence. The first thing she thought was a king, a lord, Maharion of the songs, tall, straight, beautiful. "Later? It varies. To some. . . you always give brit." Ivory smiled. He said nothing, but she knew how petty the doings of a village witch appeared to him, who had seen great deeds and powers. She sighed and spoke from her heart - "Oh, if only I wasn't a woman!". GOLDEN WAS immensely happy and quite unconscious of it. "Old man's got his jewel back," said the carter to the forester. "Sweet as new butter, he is." Golden, unaware of being sweet, thought only how sweet life was. He had bought the Reche grove, at a very stiff price to be sure, but at least old Lowbough of Easthill hadn't got it, and now he and Diamond could develop it as it ought to be developed. In among the chestnuts there were a lot of pines, which could be felled and sold for masts and spars and small lumber, and replanted with chestnut seedlings. It would in time be a pure stand like the Big Grove, the heart of his chestnut kingdom. In time, of course. Oak and chestnut don't shoot up overnight like alder and willow. But there was time. There was time, now. The boy was barely seventeen, and he himself just forty-five. In his prime. He had been feeling old, but that was nonsense. He was in his prime. The oldest trees, past bearing, ought to come out with the pines. Some good wood for furniture could be salvaged from them. games, so I left. Do you know what I did?" He turned, showing his teeth in a rictus of triumph. "I. That was a leap in the darkness. Which of them had said it? then at her again. walked down to find an inn near the docks. "The password he will ask you for is your true name." restore the law that Thorion returned." "He lived always on Roke, for it's there that all knowledge of magic comes and is kept. And he had. After Maharion's death in 452, several claimants contested the throne; none prevailed. Within a few years their struggles had destroyed all central governance. The Archipelago became a battleground of hereditary feudal princes, governments of small islands and city-states, and piratic warlords, all trying to increase their wealth and extend or defend their borders. Trade and ship traffic dwindled under piracy, cities and towns withdrew inside defensive walls; arts, fisheries, and agriculture suffered from constant raids and wars; slavery, which had not existed under the Kings, became common. Magic was the primary weapon in forays and battles. Wizards hired themselves out to warlords or sought power for themselves. Through the irresponsibility of these wizards and the perversion of their power, magic itself came into disrepute. had done. and arteries. No harm comes to me. My blood runs silver. I see things unknown to other men. I. "I'll be going to Easthill with Sul's mules." He had a way with her cows that was wonderful. When he was there and she needed a hand, he took. The rain had ceased, though mist still hid the peak and shreds of cloud drifted through the high forests. Dulse was not a tireless walker like Silence, who would have spent his life wandering in the forests of Gont Mountain if he could; but he had been born in Re Albi and knew the roads and ways around it as part of himself. He took the shortcut at Rissi's well and came out before midday on Semere's high pasture, a level step on the mountainside. A mile below it, all sunlit now, the farm buildings stood in the lee of a hill, across which a flock of sheep moved like a cloud-shadow. Gont Port and its bay were hidden under the steep, knotted hills that stood above the city. But how did Otter know that? They stood silent, uncertain, trying to cherish hope. A wizard, as Halkel defined the term, was a man who received his staff from a teacher, himself a wizard, who had taken special responsibility for his training. It was usually the Archmage who gave a student his staff and made him wizard. This kind of teaching and succession occurred elsewhere than Roke - notably on Paln - but the Masters of Roke came to regard with suspicion a student of anyone not trained on Roke. years, in the minds of most people, all magic was black. It was Golden's grandest party yet, with a dancing floor built on the town green down the way from Golden's house, and a tent for the old folks to eat and drink and gossip in, and new clothes for the children, and jugglers and puppeteers, some of them hired and some of them coming by to pick up whatever they could in the way of coppers and free beer. Any festivity drew itinerant entertainers and musicians it was their living, and though uninvited they were welcomed. A tale-singer with a droning voice and a droning bagpipe was singing The Deed of the Dragonlord to a group of people under the big oak on the hilltop. When Tarry's band of harp, fife, viol, and drum took time off for a breather and a swig, a new group hopped up onto the dance floor. "Hey, there's Labby's band!" cried the pretty girl nearest Diamond. "Come on, they're the best!". "Where will you go?" he said. held in my hand seemed to be made of paper, empty. But I quickly learned to control my body. In. a foot. But now and then Diamond had an hour or two free. He always went down to the docks and sat. "That?" I pointed at the glass wall. "Would you come back to me?" he said. "Would you go with me, live with me, marry me, Darkrose?". Masters, she thought, trying to defend the bright image of Roke, until one day he gave in to her body. He made her stop to put on his shirt. He was ashamed of it, for it was filthy, he having. he could. Another, the old Stormcloud, used to be Losen's own ship, came in while I was there. I.
