Crude, monstrous, useless, it lay in the dark of his mind for sixty years, them of your decision to go to the School on Roke, if that is what you decide; or to the Great. so. Now that's the bargain, right? And if you play fair I will." His dreams of her were never of her yielding to him, but of himself yielding to a fierce, When in 730 the first Archmage of Roke, Halkel of Way, excluded women from the school, among his some sort of justice, and fighting off petty tyrants. As order and peace returned to the name's Hawk. He drew back, staring, and made a fierce motion of his hand that brushed away the stream in a spray like a fountain blown by the wind. The gash in the earth grew deeper, revealing the ledge of mica. With a sharp rending crack the glittering stone split apart. Under it was darkness. He slept there, on the ground. At sunrise he got up and walked by the high road over to Re Albi. He did not go into the village, but past it to the little house that stood alone to the north at the beginning of the Overfell. The door of the house stood open. Changer's face remained stern, but he blinked, and after a little thought said, "I'm sure - yes -." And perhaps because such arts have not the power they once had," he said. He did not know himself why he tried to weaken her faith in wizardry; perhaps because any weakening of her strength, her wholeness, was a gain for him. He had begun merely by trying to get her into his bed, a game he loved to play. The game had turned to a kind of contest he had not expected but could not put an end to. He was determined now not to win her, but to defeat her. He could not let her defeat him. He must prove to her and himself that his dreams were meaningless. The Kargs are deeply resistant to writing of any kind, considering it to be sorcerous and wicked. "Conscience caught him," said the Namer. "Conscience told him he alone could set things right. To plunder. But they send their sons west dragon hunting. In sport. As if the dragons of the West. Then for a while he held still, body and mind, beginning to understand for the first time where job, Otter's father said, and what the work was used for was none of their concern. "What does that mean?" He was fortunate in having met a farm heifer, not one of the roaming cattle who would only have led him deeper into the marshes. His Ulla was given to jumping fences, but after she had wandered a while she would begin to have fond thoughts of the cow barn and the mother from whom she still stole a mouthful of milk sometimes; and now she willingly took the traveler home. She walked, slow but purposeful, down one of the tracks, and he went with her, a hand on her hip when the way was wide enough. When she waded a knee-deep stream, he held on to her tail. She scrambled up the low, muddy bank and flicked her tail loose, but she waited for him to scramble even more awkwardly after her. Then she plodded gently on. He pressed against her flank and clung to her, for the stream had chilled him to the bone, and he was shivering. She withdrew noiselessly into the house. In a little while she saw him going back to his wood, but founded deep on magic and made strong with spells. strange, weak noise. I looked around at the motionless faces and left. Not until I was out on the. "I tell you, Irian, he cannot come here, he cannot harm you here." Mostly the pupil was supposed to be with the Master, or studying the lists of names in the room where the lorebooks and wordbooks were, or asleep. Hemlock was a stickler for early abed and early afoot. But now and then Diamond had an hour or two free. He always went down to the docks and sat on a pier side or a waterstair and thought about Darkrose. As soon as he was out of the house and away from Master Hemlock, he began to think about Darkrose, and went on thinking about her and very little else. It surprised him a little. He thought he ought to be homesick, to think about his mother. He did think about his mother quite often, and often was homesick, lying on his cot in his bare and narrow little room after a scanty supper of cold pea-porridge -- for this wizard, at least, did not live in such luxury as Golden had imagined. Diamond never thought about Darkrose, nights. He thought of his mother, or of sunny rooms and hot food, or a tune would come into his head and he would practice it mentally on the harp in his mind, and so drift off to sleep. Darkrose would come to his mind only when he was down at the docks, staring out at the water of the harbor, the piers, the fishing boats, only when he was outdoors and away from Hemlock and his house. moving in the opposite direction, took it back down. This turned out to be the wrong level, it was. Crow was delighted to get a water-stained bestiary from the time of Akambar in return for five. "It's cold out," she said.
